

# Bhubaneswar ROCKS

39TH NATIONAL CONVENTION, SEPTEMBER 14, 2016

## Welcome to Odisha!

It is a matter of pride for the State of Odisha that the Odisha Sports Journalists' Association (OSJA) is playing host to the 39th Annual Convention of the Sports Journalists' Federation of India (SJFI) at KIIT University, Bhubaneswar, from September 14 to 18, 2016. OSJA is grateful to SJFI for allotting this prestigious event for the first time.

The SJFI National Convention, featuring competitions in cricket, table tennis, penalty kicks, free throws, and activities like quiz and seminars, is sure to act as catalyst for further promotion of sports in the State and boost our reputation in national and international forum.

Over 100 delegates of SJFI from across the country and a top-level office-bearer of AIPS Asia (Asian Sports Press Union) are attending the five-day event, which will be embellished with the presence of a couple of Olympians and sports icons of the country, including gymnastic sensation Dipa Karmakar, cue sport legend Geet Sethi and 'Payyoli Express' P. T. Usha.

The presence of Dipa Karmakar is sure to provide huge inspiration to young talent of the State. New ideas for betterment of sports in the country will emerge from the brain-storming seminars. Overall, the impact of the SJFI National Convention will be as strong as any international sporting event held in the State so far.

The OSJA members have worked really hard for the smooth and successful conduct of the SJFI Convention. We are thankful to our main sponsor, Kalinga Institute of Industrial Technology (KIIT), Sony Pictures Networks India Private Limited and other sponsors without whose help and support hosting such a mega event would not have been possible.

I welcome all delegates and guests to the National Convention and wish them a happy and memorable experience.

*K. Ravi*  
President - OSJA

Dipa Karmakar

# From the President's Desk ...

At the very outset, let me welcome you all to Bhubaneswar, the capital of Odisha which is hosting the 39th National Convention of the Sports Journalists' Federation of India

(SJFI) for the first time in its history and the related events - J.K. Bose cricket, A.C. Bali table tennis besides penalty kicks, free throws and Quiz between September 14 and 18, 2016.

By organising this year's National Convention, Bhubaneswar has become the 17th city to host these vibrant events.

I am sure all of you will appreciate the hardwork put in by the Odisha Sports Journalists' Association (OSJA) over the last several months to conduct the events in a befitting manner.

It is my proud privilege to congratulate the OSJA Executive Committee and its members on behalf of the SJFI and its member units for the effort that it has come up with. Further, I am sure each of the delegates will have many pleasant memories to carry home from their visit to the temple city.

As you are aware, the SJFI has grown from strength to strength over the last

40 years since 1976 when it was founded by sports journalists belonging to Kolkata, Delhi and Bombay (now) Mumbai. A year later the sports writers from Madras joined in to make it truly a pan Indian movement.

The SJFI has been marching ahead by organising many programmes that were envied by other journalistic organisations across the country. Among the many, the Sports Journalism award was the best.

The SJFI has been deeply involved in International Exposure Programme, the AIPS Young Reporters' Programme, AIPS Asia's Women Journalists' seminar to name a few. The Federation is trying to encourage and motivate young talent to take up the noble profession and expand the horizon of sports journalism in the country. In the coming years, we have plans to organise the young reporters' programme .

Our daily news bulletin will be published as part of the National Convention for the fifth year in a row. Aptly titled 'Bhubaneswar Rocks' the newsletter team is also making every effort to project the state of Odisha as a sporting destination of the country.

Bhubaneswar has also created a new

vista in the history of SJFI by inviting the Secretary General of the AIPS Asia to be part of the National Convention. The President of AIPS, Mr. Gianni Merlo, will address the members of the SJFI through Skype, marking another first. I sincerely hope these endeavours will usher in a new era in our relationship with the world body.

While the backroom boys of this venture deserve lot of kudos, I am thankful to each and every contributor to our newsletter who have taken up the challenge of writing on various topics despite being subjected to pressing deadlines almost on a daily basis. Last but not the least, I would also like to place on record our sincere gratitude to our sponsors without whose support it would have been quite impossible for us to pursue our activities with such great enthusiasm.

And before concluding, I am sure each delegate would approach the 39th National Convention and related activities in true sportsman spirit making light of all shortcomings, if any.

Good luck to all!

**S. M. Barua**  
*President - SJFI*

# ODISHA's Sprint Wonders

The Eastern state of Odisha has produced some of the country's finest track and field athletes of our times. Sprinter Rachita Panda (nee Mistry) and

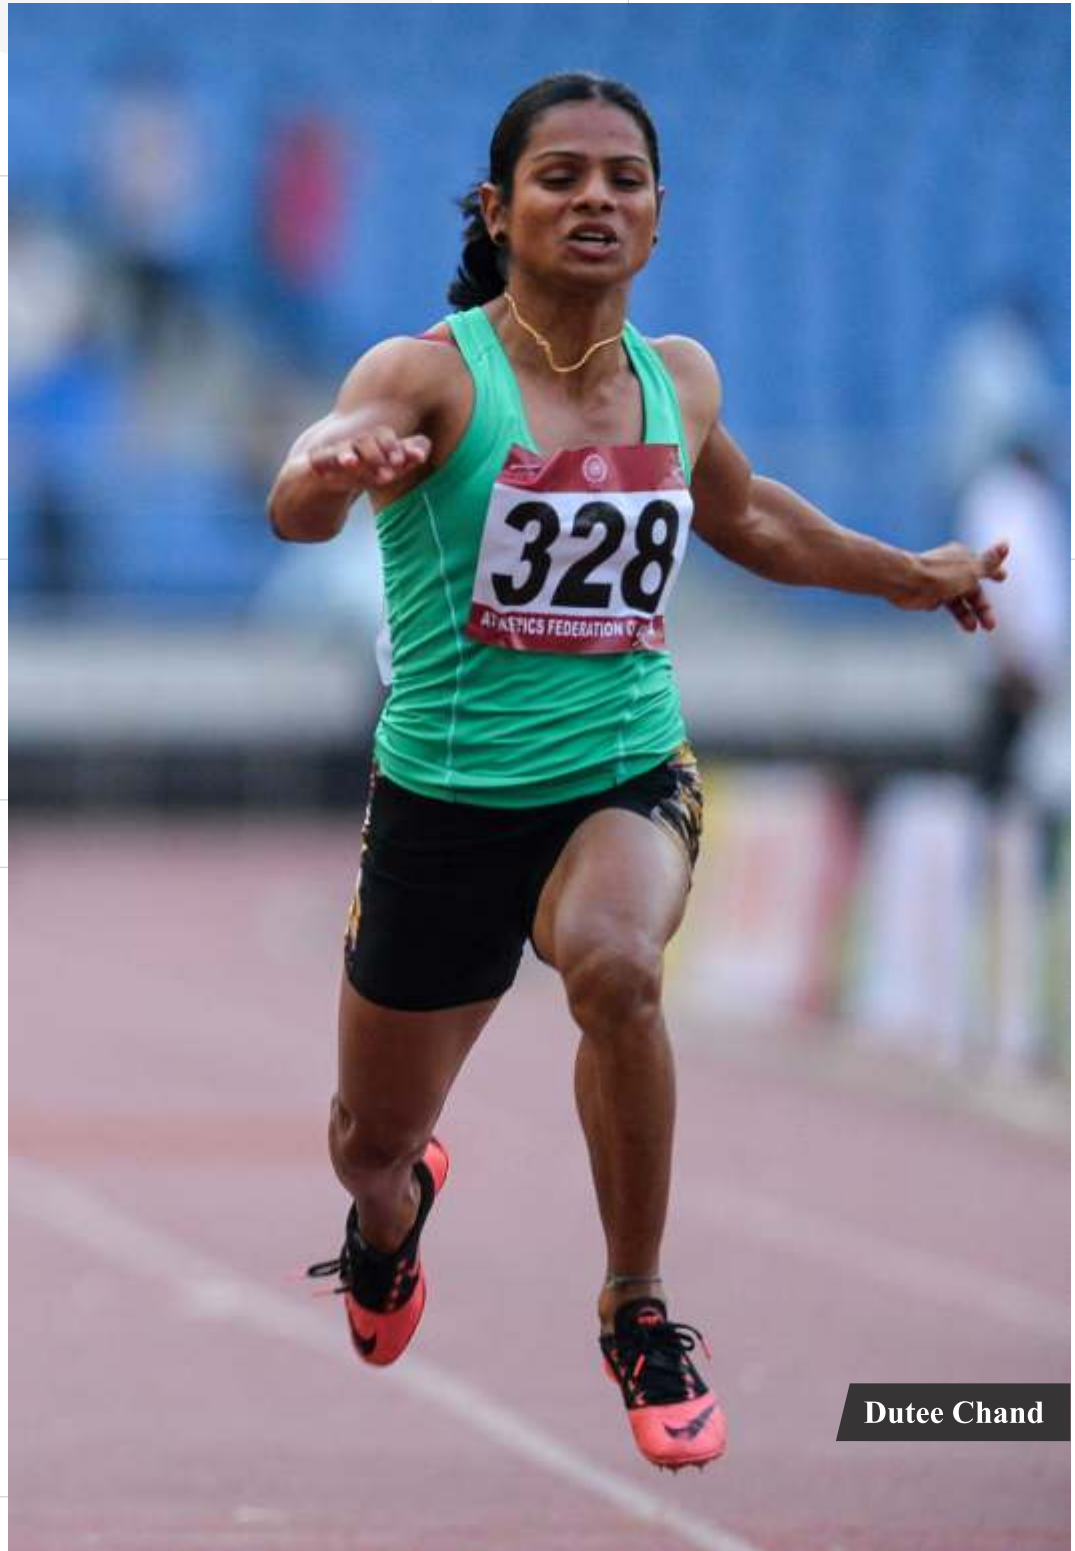

hurdler Anuradha Biswal are foremost among them. Rachita won a bronze medal in the 100m at the Bangkok Asian Games in 1998 and she added another in the Asian championships at Jakarta two years later. Anuradha, too, took a bronze in the Jakarta meet in her favourite event -- 100m hurdles. Later, Rachita married Maharashtra sprinter Homiyar Mistry and migrated to Mumbai.

The national record in 100m (11.38 secs) stood in Rachita's name for nearly 16 years until another sprinter from her home state, Dutee Chand, clipped 5/100th of a second from it during the Federation Cup at Delhi earlier this year.

Dutee, who hails from an economically poor weaver family in Gopalpur stole the headlines throughout the World not only for her exploits in athletics, but also due to her successful 'knock' at the doors of Sport of Arbitration in Sport (CAS). She won her first 'senior' medal while taking a bronze in 200m at Pune Asian championships in 2013 when she was just 17 years old. Few hours after she stood on the podium in Pune, Dutee dashed off to Ukraine and finished a credible sixth in 100m at World Youth (U18) championships in Donetsk.

Trained under eminent SAI coach Nagapuri Ramesh at Hyderabad, the 'tiny tot' went on to secure two gold medals through victories in 200m and 4x100m relay at the Asian junior championships in Taipei the following year. She could have won a third gold in the 100m at Taiwan, but a 'late arrival' of Indian team shattered it.

After her Taipei wins, athletics aficionados expected Dutee to get medals in the World juniors in Eugene and Commonwealth Games at Glasgow.

**Dutee Chand**

However she received a 'big blow' due to the presence of excessive 'hyperandrogenism' in her body. As the prevailing rules of international athletics federation prevented her from taking part in athletics competitions, Dutee had to miss both the Eugene and Glasgow events.

Thereafter Dutee appealed to CAS with the support of the Indian Government and like all her sprint races came home triumphant and with permission to continue her athletics career without any further hurdles.

Her first major victory after her 'come back' was achieved at

Thiruvananthapuram where she clinched the top spot in 100m and added a bronze in the longer sprint (200m). Having proven her undeterred attitude towards competitive athletics she tried her luck in the 'indoor track' competition. On her debut, Dutee posted a national record of 7.28 secs to claim a bronze in the 60m dash at Doha's Aspire Dome during the Asian

indoor championships. Later, she went to the World indoors at Portland, USA, as the nation's only representative.

After securing the national 100m record (11.33 secs) under to her belt, Dutee went for a short training-cum-competition stint to Kazakhstan. In Almaty she secured the Olympic berth with a 11.30 secs clocked in the heats, which she improved with another fine 11.24 secs in the finals while finishing second to host nation's ace sprinter Viktoriya Zhabkina (11.15s) during the 26th Kozanov memorial meet. Although the above marks helped her take part in the Rio Olympic Games some investigators found irregularity in the timings attained in Almaty. To add further, just a day before Dutee's achievements in the Kazakh capital, the accreditation of the Almaty doping control lab was withdrawn by WADA. Now the ball is in IAAF's court to decide whether to accept those marks

as national records or not.

While Dutee shall be treated as a 'rare gem' from Odisha, equally good performances came from two other athletes from the same soil in Srabani Nanda and Amiya Kumar Mallick.

Srabani, last year's Asian championship bronze medalist and South Asian Games champion over 200m also posted a personal best 23.07 secs clocked at Almaty to qualify for the Rio Games. However Amiya, who underwent a short training stint under legendary Usain Bolt's coach Glen Mills in Jamaica, had the disappointment of not making the Rio cut. He started well with a national record 10.26 secs during one of the semi-finals in Federation Cup at Delhi. However a knee injury during the finals halted his ambitions to reach further.
